

## FUN AFTER- SCHOOL LEARNING AND SUPPORT

### HELPING KIDS ACHIEVE SCHOOL SUCCESS

For many children and youth, especially foster children or youth with special needs, school can be a frustrating experience. When a child is struggling at school, after-school learning support can make a big difference. The Learning Club is a free after-school program for kids in care at our SOS Children's Village in Surrey.

Taught by BC certified teachers, the Learning Club provides one-to-one assistance for students in their areas of need. Learning Club teachers know that every child is capable of learning, and they work with every child's individual learning styles, to help reach his or her full potential.

Learning Club helps keep kids on track. Specially designed for kids who struggle at school or socially, it helps ease the transition into healthy, positive teen years.

### LEARNING CLUB GIVES FOSTER CHILDREN:

- free after-school homework and learning support for kids of all ages
- a safe, positive, and fun learning environment
- individualized support from BC certified teachers
- strategies for difficult concepts in math and language arts
- guidance to think critically and plan for successful approaches to school work

### A CHANCE TO HAVE FUN AND MAKE FRIENDS

Learning Club gives kids a chance to improve their academic skills, and it's also a great place to develop new friendships and increase social skills. Learning Club teachers provide sound advice about things that matter to children.

Kids who are transitioning into older grades may suffer from social anxieties. Learning Club helps kids feel comfortable talking in public, gives them opportunities for working in groups with their peers, and guidance on learning to stay safe in our communities.

Our goal is to improve the experience of foster children in school. Learning Club shows kids they can achieve success when given the right tools.

### MORE THAN JUST HOMEWORK HELP!

- healthy snacks and juice
- a comfortable, stress-free atmosphere
- time to make new friends
- the chance to learn about other community resources for youth

**OUR PROMISE:**

*Learning Club is a safe, fun after-school learning environment for foster children at SOS Children's Village BC.*

**"I get homework done and have fun at Learning Club!"**

**YOUR DONATION SUPPORTS LEARNING CLUB**
